

Now that I am a certified Alberta Soccer Association referee, how do I get work and really important, how do I get paid?

1.) **Your local coordinator** – Go to the www.edmontonwestsoccer.com to get all the coordinators phone number and email address. The coordinators book the referees for U9, U10, U11 and U12 games. If you want extra work, many referees work for more than one community. Please talk to your coordinator to find out how you will be paid. Although each community pays different ways they all pay the same rate. Some communities may pay at the end of each round. Others may pay once a week. Some may pay cash, others pay by cheque.
